WELCOMING RECEPTION

Sunday, June 7, 2015 - 18:30

This year the welcoming reception will be held at the international celebrated **Canadian Museum of Human Rights**. The museum is located at The Forks, where the Red and Assiniboine rivers meet on Treaty One land. It is the only museum in the world solely devoted to human rights awareness and education. The amazing architecture of the building was designed by world-renowned architect Antoine Predock. It is designed to resemble a mythic mountain surrounded by a massive glass cloud and includes a kilometer of glowing white alabaster ramps, a 100-metre shining Tower of Hope and the Garden of Contemplation full of basalt rock, water and greenery. The **Bonnie and John Buhler Hall** is the largest reception space in the museum and will be the location of our event. Attendees will also be invited to visit one or two of the galleries. You can go to <https://humanrights.ca/> for more information about this iconic institution.

A buffet and bus transportation to / from the museum will be included.
