

YOU ARE INVITED TO THE 74th ANNUAL MEETING OF THE CSOHNS

(Canadian Society of Otolaryngology - Head & Neck Surgery)

Biologicals in the Treatment of CRSwNP

On October 3rd at 10 a.m. (EST), Sanofi Genzyme invites you to a talk by Dr. Claus Bachert, MD, PhD, on the use of biologics to treat CRSwNP.

Learning Objectives:

1.

To understand the principle of endotyping in CRS, its relevance and application

2.

To identify the patients with CRSwNP not possible to control by standard of care

3.

To learn about innovative care pathways to achieve control in severe CRSwNP

Dr. Claus Bachert

MD, PhD

Dr. Claus Bachert, MD, PhD, is chief of the clinic and professor at the University Hospital of Ghent, Belgium, and also holds a position as professor at the Karolinska Institute, Stockholm, Sweden. He qualified from the University of Heidelberg, Germany, and trained in ENT-diseases and allergology in Mannheim and Düsseldorf. His research interests include the pathophysiology and management of diseases of the nose and sinuses such as allergic and non-allergic rhinitis, chronic rhinosinusitis and nasal polyposis.
