

Assessment Reflection Tool

Step 1: Review your self-assessment and your patients' assessment

1. In which areas does your self-assessment align with your patients' assessments?
2. In which areas do they not align?
3. What surprised you?
4. What did not surprise you?

Step 2: Reflect on the feedback

Please answer at least one of the following questions:

1. What did you learn or confirm?
2. What additional learning are you planning to complete?
3. What changes are you planning to implement in your practice?

Step 3: Document this Assessment in MAINPORT

- How many hours did you spend participating in this activity? _____
 - Include the time you spend reflecting on the feedback.
 - You earn 3 credits/hour.
- Log into MAINPORT and enter your information into Section 3 – Assessment (practice assessment).
- You can save this document to upload to MAINPORT even though supporting documentation is not required for credit validation.
