

## **CLAIRE HOPKINS, FRCS(ORL-HNS) DM, AFFILIATIONS GUY'S & ST THOMAS' HOSPITAL**

Claire Hopkins is a Consultant Rhinologist of a large tertiary referral centre in London, UK, with a clinical practice covering the breadth of rhinology including anterior skull base work and facial plastics. She is part of the Skull Base Team at King's, one of the largest centers in the UK, and is a member of the Editorial Board for Skull Base.

Her research includes work utilising patient rated outcomes, with particular interest in chronic rhinosinusitis and its treatment. She was the lead clinician in the UK Sinonasal Audit, and a co-author of the European Position Statement on Rhinosinusitis and Nasal Polyps. She is the Chair of the ENT-UK Clinical Audit Group, Chair of the UK Rhinosinusitis Commissioning Guidance Group and the Treasurer for the European Rhinologic Society.
