

CARBON OFFSETS DONATION FORM

With the donations collected through the carbon capture program for the 76th Annual Meeting, support will be given to the following projects:

Niagara Escarpment Forest (Carbonzero – CSA Clean Projects Registry \$30/tonne)

The Escarpment Biosphere Conservancy is Ontario's largest and Canada's second largest land conservation agency, dedicated to preserving natural systems that house 58 of Ontario's native species at risk or of concern. [Project Profile](#)

Nanaimo Landfill Methane Gas Capture Project (Carbonzero – CSA Clean Projects Registry \$25/tonne)

This project reduces greenhouse gas emissions by using the methane that was previously vented to the atmosphere as fuel for electricity. [Read More](#)

Coastal First Nations Great Bear Rainforest (BC Carbon Registry – ISO 14064-2 \$30/tonne)

In 2009, Coastal First Nations and the Province of British Columbia agreed to [one of the largest carbon offset projects](#) in existence. This historic agreement means more old- and second-growth forest will be protected, while still ensuring opportunities for economic development and jobs for local First Nations. [Read More](#)
